Dear Gail & John:

As the school year comes to a close, we want to extend our appreciation for your support of Addison Mizner Elementary School, and in particular, for your generous donation to the 10<sup>th</sup> Anniversary PTA Auction. More than 230 parents, teachers and friends came out to our "Evening of Tropical Treasures" – and the event netted more than \$24,000 for school enrichment.

The evening's proceeds will fund a variety of programs for the more than 800 children at our school. With your support, we will:

- Make a special grant to the school's library & media center to add important books and reference materials to its collection,
- Underwrite and expand the successful Reading Rescue Program,
- Purchase books, software and videos for the Teachers' Resource Room,
- Underwrite the purchase of supplies and equipment for classrooms,
- Provide support for the Special Reading Program, and
- Sponsor teacher training programs.

In addition, the PTA funds student enrichment events and recognition programs. Among these are Accelerated Reader, cultural enrichment performances, a publishing center, a career day, a special intergenerational program produced in partnership with our local senior center, and many more projects.

We salute you for supporting our efforts to help our public school provide the best education to every child. Again, many thanks.

Sincerely,

A handwritten signature in blue ink that reads "Kathleen".
