Dear John & Gail,

Thank you for your generous contribution of reduced pricing on the banners for Project Graduation – The Fabulous Farewell.

According to Florida Highway Patrol statistics, graduation night is the most dangerous night in a high school student's life.

The volunteers at Boca Raton High School are proud that, for the past Twenty years, we have successfully provided a safe, accident-free and fun filled celebration event for our graduates.

Your contribution was definitely an asset to the event. The banners were hung at several spots on campus to promote the theme of the night. Two of them ended up going home with graduates who liked them so much! We appreciate your support of Project Graduation at Boca High.

On behalf of our children, their parents, our school and its staff, thank you for your contribution to this worthwhile event.

Sincerely,

*The 2007 Project Graduation Committee*
